

LIFE RAFT SALES & SERVICE

Life Rafts, according to regulations have to be serviced annually.

We have two SAMSA approved life raft service stations, Durban and Cape Town and one based in Ghana, that are certified by all major classification societies.

Our technicians are highly trained professionals who continually keep up to date with industry standards and changes.

We are certified to service the following manufacturer's life rafts in Africa: Fujikura, Mitsubishi, Sumimoto, CSM and HYF

“What about your immersion suits, pyrotechnics, fire equipment & safety signs?”

“WE SELL AND SERVICE THESE TOO!”
